

8^{ème} Journée Scientifique sur la Recherche en Informatique au Féminin Mars 2019

Call for Papers New Trends in System Analysis and Design

As part of the research activities of the LIRE Laboratory of Constantine 2 University, **the laboratory's women's research team** organizes the 8th edition of the seminary RIF "Computer Science Research at Feminine" (La Recherche en Informatique au Féminin).

The international seminary RIF 2019 will be held at Constantine 2 University, in March, 09, 2019. It will act as a major forum for the presentation of innovative ideas, approaches, developments and research projects in the area of **the Design and Analysis of Computer Systems**, by research women exclusively.

It will also serve to facilitate the exchange of information between researchers to discuss the latest issues and advancement in the area of advanced computer systems that will be covered during the conference.

The topics suggested by this seminary can be discussed in term of concepts, surveys, state of the art, research, implementations, running experiments, applications and industrial case studies, they may include:

- ◇ Mobile Software Engineering and Systems
- ◇ Safety and Security of Distributed Systems
- ◇ Modern and Emerging Systems (Internet of Things, Cyber-Physical Systems, Fog Systems, Cloud Systems, etc.)
- ◇ Software Architectures, Design patterns and application frameworks
- ◇ Semantic interoperability, Ontologies and LOD, Semantic Web
- ◇ Cooperative Information Systems
- ◇ Big Data

On the sidelines of this scientific seminary, an oral competition will be organized for graduating students. It includes two sessions: **General Knowledge** and **Computer Science Knowledge**.

General Conference Chair

Zizette BOUFAIDA, Constantine2 University, Algeria

Conference Program Chairs

Faïza BELALA, Constantine2 University, Algeria

Fouzia BENCHIKHA, Constantine2 University, Algeria

Organizing Committee Chair

Afifa GHENAI, Constantine2 University, Algeria

Steering Committee

Souheila BOUDOUDA, Constantine2 University, Algeria

Sahar SMAALI, Constantine2 University, Algeria

Imene BENTOUNSI, Constantine2 University, Algeria

Meriem THABET, Constantine2 University, Algeria

Souad BOUAICHA, Constantine2 University, Algeria

Submission Guidelines

Authors are invited to submit papers through the EasyChair system, <https://easychair.org/conferences/?conf=rif2019> by **February 23, 2019**. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this seminary.
